## Social Justice Certification Application 2019 Annual Meeting in Cincinnati

The NCSA certificate program provides a structure for focusing your conference participation on professional development; thus, it documents and recognizes participation in sessions directly focused on professional development in sociology.

In order to receive the NCSA Social Justice Certification, you must **attend 5 sessions** from those listed on this document. *Please confirm the session details in the official program.* Verify your attendance with a signature from either the presider *or* one of the presenters at the end of each session you attend (only one signature per session is required). In addition to this signed document you must submit an answer to the following question:

*Describe three concepts, ideas, or strategies that you will incorporate into your own teaching or professional practice as a result of attending these sessions*

This completed form with signatures should be turned in to the NCSA Registration Desk by 4:00 PM, Saturday. Alternatively, throughout the conference, you may turn this form in to the following members of NCSA Council: Tamika Odum or Joyce Lucke. The reflective essay can be turned in with this signed sheet, or if additional time is needed, emailed as an attachment to Tamika Odum at [Tamika.Odum@uc.edu](mailto:Tamika.Odum@uc.edu) no later than April 30, 2019. You will be sent a certificate of completion that can be highlighted on your curriculum vitae.
